Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the document listed on the attached PTO Form 1449. To the best of the undersigned's knowledge, this Information Disclosure Statement ("IDS") is being filed before the mailing date of a first Office Action on the merits for the above-referenced application. Accordingly, Applicants do not believe that a fee is due for filing this paper.

An Office Action dated November 24, 2009 that issued in a Japanese patent application and having documents cited therein is attached for the Examiner's consideration.

Except as discussed below, the cited documents are listed on the attached PTO Form 1449 and a copy of the cited non-U.S. patent document is also attached hereto.

While the Japanese Office Action dated November 24, 2009 additionally cites to Japanese Patent Application Laid-Open No. 2003-005616, this document is not listed on the attached PTO Form 1449 because it was previously cited in an Information Disclosure Statement in this application on October 29, 2007.

Applicants respectfully request that the Examiner consider the listed document and evidence that consideration by making appropriate notations on the attached PTO Form 1449.

The relevance of the attached foreign language document can be understood at least from the attached English-language abstract, and/or from the citations of the document in the attached Japanese Office Action dated November 24, 2009.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes “prior art.” If it should be determined that the listed document does not constitute “prior art” under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

**EXCEPT** for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. § 1.16 and 1.17 which may be required, including

any required extension of time fees, or credit any overpayment to Deposit Account No. 50-0573.

This paragraph is intended to be a **CONSTRUCTIVE PETITION FOR EXTENSION OF TIME** in accordance with 37 C.F.R. § 1.136(a)(3).

Respectfully submitted,
